

Five Animals Flannel Board...

Five animals living in the barn.

The dog walked out the door.

And then there were four.

Four animals living in the barn.

The cow went to lay under the tree.

And then there were three.

Three animals living in the barn.

The pig found some corn to chew.

And then there were two.

Two animals living in the barn.

The sheep was on the run.

And then there was one.

One animal living in the barn.

The rooster went for a swim and lay in the sun.

And then there were none.
